2016 + Graduation Requirements

Student ID _____ Graduation Year **20** _____

Twenty-one (21) credits, which equal 42 semester courses, are required to graduate from high school. Each full semester course passed earns 0.5 credit. Students are required to have a Cumulative AND Core (Language Arts, Math, Science and History courses) GPA of 2.0. In addition, 60 hours of Service Learning/Volunteering, the Culminating Project and the High School Plus Plan must be completed.

* = Additional courses and higher GPA's are necessary for 4 year college admission requirements. These courses taken in specific areas of study will count toward the "9 semester electives" graduation requirement.
